Huma 1079 Assignment 2 – Motivation

- **Read page 1 and 2 carefully**
- **Create your assignment in a WORD document-1500 words max**
- **Pick *one example* from the scenario below:**

Scenario 1 :

You work in a team that is based in India and Canada. You are talking to a colleague that works in your team in India office. She tells you she has been offered a promotion in the Vancouver office and this requires her to move to Canada. Your colleague is worried about moving to a new country. **You write her an email** to motivate her .

A. Use Maslow's "hierarchy of Needs" to understand your colleagues needs and motivate them to take the job in Canada (50 marks- 3-5 paragraphs)

B. Describe what intrinsic and extrinsic rewards your friend can get (50 marks- 3-5 paragraphs)

Scenario 2 :

You and your colleague take lunch together regularly. You notice he doesn't have a social life and he spends a lot of time alone in the office and at home. He expresses he is lonely and misses his family.

You write him an email to motivate him to build social life and create friendships to make him feel more connected with others.

A. Use Maslow's "hierarchy of Needs" to understand his needs and motivate him to create a social life (50 marks- 3-5 paragraphs)
B. Describe what intrinsic and extrinsic rewards your colleague can get by building friendships. (50 marks- 3-5 paragraphs)
